

Tears

Dear James

Thank you for your enlightenment.

Things are clearing up now. For one I know now, that what I have been doing for the past years has not been for the good of the world but for my own understanding and freedom from the world. Also you have made me realize that Maharishi did not leave me in the dark. How could he? Where is the darkness?

I am not enlightened yet but for once in many many years, I sense that, I am moving ahead towards the goal of my youth.

PS one limitation of e-mails is that you cannot see the tears running from my eyes as I write this.

Dear Karl,

It was very nice to meet you. I am so happy that the Vedanta made things clear for you and that you are moving forward on your path. You are not enlightened, nor am I, nor is anyone. You-I-we -me are the light. Take care of yourself until we meet again.

Love,

James
