Shane: Hi, Daniel.

I know you have stuff on *karma* at your website, and I have James' book. Please, can you give me any further pointers into studying *karma yoga*?

For me, I believe it will help activate the knowledge.

That will keep my mind happy.

Daniel: Shane, there's nothing more to add to what we've not already covered. You have already received all the necessary tools.

There was once a well-studied disciple who out of disappointment told his *guru*, "But Guruji, I've gone through the *Bhagavad Gita* at least one thousand times, yet I still feel unsatisfied!" The *guru* responded, "It's good that you've gone through the *Bhagavad Gita* so many times. Now let it go through you."

You've studied enough, Shane. It's now time to apply. Convert that intellectual understanding into practical, everyday application. You know exactly what to do and how to do it. Only you can activate this knowledge.
