Michael: Hi, Daniel!

It's Michael from Liverpool, England, the U.K. I wonder if you remember me? I used to write to you when I had doubts about my true nature. You were very gracious to me and helped me along the way by teaching Vedanta. Anyway, I just wanted to touch base and let you know that I have no more doubts left at all. And it is because of Vedanta and teachers like yourself, James, Sundari and others that made it possible for the veil to lift and see, and know what has always been the case, that I am ordinary, actionless, non-dual awareness, as is everyone and everything. I wish you good health, as I read that you have been somewhat "under the weather" recently, as we say over here. May *Isvara* bless you and the incredible teaching which showers untold blessings on all inquirers.

~ All love, from Michael

Daniel: What a cool message, Michael!

All goodness returned.

~ Much love, Daniel
