Bob: Hi, James. I guess I was a ripe fruit on the tree. I have listened to your Berlin talks and Trout Lake talks somewhat intensively over the last couple of months. One thing to say, Vedanta works. Discovering ShiningWorld has satisfied the two irritations that I had the need to be convinced beyond a shadow of a doubt that I am awareness and the need for understanding, i.e. knowledge. The field made the right choice in you as a teacher; thank you for applying the scriptures in such a skillful manner. Cleaning up the dregs will continue until it doesn't, but what a great job lies ahead.

Thanks again.

James: Lovely to hear from you, Bob. It is always gratifying to see Vedanta working and hear from a ripe fruit. Thanks.
