**Benji:** *Sharanam*, Ramji, Benji here!

Hi, dear Ramji. I hope that everything went well with your journey to England and that the winter there is not too cold for you. I want to send you this greeting from Tiruvannamalai on the full-moon day today... just so that we keep in touch... and again to say thank you for the excellent initiation to this path. It has really turned me on again to learning and realizing more fully about enlightenment and freedom... and, Ram... it is growing beautifully day by day. I now have all the tools to work on myself. It is working on me. I am having great contemplations all day long. It was such an awesome time in Tiru taking part of your sharing the Vedanta, and your long experience, with everyone. Your book is very great and your DVDs and all the input from all *satsangs*. It's a huge gift and contribution!!!!

Thank you, Ramji. This mail is just to let you know where I am and so we can stay in touch.

~ Love and blessing, Benji
